## Note to Editors:

Note to Editors:

An idyllic island retreat with a powder soft sands, Fushifaru Maldives is a 5-star resort located in Lhaviyani Atoll. Last year, Fushfaru Maldives Celebrated its fifth anniversary of excellent hospitality. The beautiful island of Fushifaru is a home for an unusual landscape above and below the waterline. With "Fushi", which means "island" and "Faru", which means "reef" in Dhivehi, Fushifaru is an ideal reflection of its name. If you need little more than a sensational beach and a comfortable bed, this little laid-back resort might be the one for you. Facilities are few, although there is a watersports centre, swimming pool and spa – but really it's all about the beach.
